Thank you for considering Silk Vision and Surgical Center for Lasik Surgery. We realize how important your vision is and that you have many choices when it comes to your eye care. Dr. Silk and his staff take great pride in providing outstanding care for our patients and here are a few reasons why our patients have chosen us:

-Dr. Silk is a board certified ophthalmologist and completed a fellowship in Laser Vision Correction with some of the nation's leading experts at the University of Pittsburgh.

-At the completion of his fellowship he was distinguished for having 100% of his patients achieve 20/20 vision after Laser Vision Correction.

-At Silk Vision and Surgical Center we give each of our patients customized care. Dr. Silk evaluates each patient before surgery and after surgery as Dr. Silk personally performs all the pre and post operative care.

-We realize each patient is different and we encourage our patients to ask questions. Each patient is given time to ask questions and to feel comfortable with their decision.

-We offer patients the most advanced technology in laser vision correction. Dr. Silk performs all laser or "bladeless" LASIK surgery with Visx S4 system with CustomVue which allows us to give each of our patient's treatment that is customized for their eyes.

-We offer affordable pricing so that everyone has the opportunity to enjoy the benefits of Laser Vision Correction.

- Please call for a complimentary consultation today!!
