A Lifetime Warranty for Laser Vision Correction is available for clinically qualified patients who follow the eligibility guidelines and maintain annual examinations. The outlined fee for service includes a preoperative examination, necessary post-operative visits including annual exams and any re-treatments needed to maintain vision results.

At Spectrum Lasik, you will experience the most advanced procedures and superior visual results. Payment is required prior to surgery. Ask about our affordable financing options, with payments as low as \$90/month. For more information, please visit [www.spectrumlasik.com](http://www.spectrumlasik.com).

*"I expect my new vision will turn into more goals. I'll be a "sniper" on the ice! You're the man, Dr. Parisi!"*

Mark Voakes (Professional Hockey Player - AHL)

*"Lasik was the best investment I've made. It truly was money well spent. Spectrum Lasik did a great job and I recommend them to anyone who is a qualified candidate."*

Danny Baker, Sommelier, Greenville, SC
