Welcome

WELCOME

Centre for Sight, established in 1996, is one of the leading providers of high quality medical and surgical ophthalmic care. Our aim is to ensure that every patient and visitor feels that they are listened to and well taken care of.

We pride ourselves on being able to really listen and allay our patients concerns by planning a bespoke care plan around them. Our team consists of expert consultant ophthalmologists, optometrists, technicians and coordinators, trained to the highest clinical and medical standards.

Our growth can be attributed to advocacy from GP's, past patients and opticians. This is a consequence of one of our greatest strengths: our impeccable record of performance and our reputation as a leader in the eye care industry.

We look forward to seeing you at Centre for Sight and thank you for entrusting us with your care.

Margaret Middleton

Chief Executive Officer
Centre for Sight

Consultations

CONSULTATIONS

WHAT HAPPENS AT MY CONSULTATION?

The consultations last two to three hours. During that time you will have various tests undertaken and your pupils will be dilated to allow examination of your eyes, followed by a consultation with your consultant ophthalmologist who will present the results and findings and discuss the options available to you.

HOW MUCH WILL IT COST?

The price ranges from £115 - £310 depending on the venue and type of consultation. We do offer free screening consultations on a limited basis. Although a number of investigations / tests are included within your consultation, a few may not be included in the fee of your consultation. These are only required if your consultant feels further tests are essential for accurate diagnosis.

CONSULTATION PRICES

	EAST GRINSTEAD OXSHOTT	LONDON
New consultation	£215.00	£225.00
Follow-up consultation	£140.00	£165.00
SPECIFIC PROCEDURES		
Laser eye surgery consultation	£115.00	£140.00
Laser cataract surgery consultation	£275.00	£295.00
Keratoconus first consultation	£295.00	£310.00
Keratoconus follow up consultation	£175.00	£195.00
Dry Eye consultation	£250.00	£250.00
360 EyeScan	£295.00	

Each consultation fee includes routine pre-operative diagnostic testing and your consultation with the surgeon. Any additional tests, investigations or specific procedures required, will incur a further charge. A staff member will seek your consent before performing any additional chargeable tests, investigations or specific procedures. **Please note that payment of all consultation and investigation fees will be expected on the day of your appointment.**

FREE CONSULTATIONS

Centre for Sight currently offers a limited number of consultations *free* of charge on a first come first served basis for those wishing to undergo laser eye surgery or laser cataract surgery vision correction.

The availability of free consultations is limited by the following:

- a. The consultation is entirely free and no charge will be made on attending this appointment, or for any additional testing which may take place during this appointment.
- b. Any laser vision correction procedure performed as a result of the free consultation appointment will be charged at the normal price.
- c. If there is an interval of more than three months between the free consultation and procedure, further investigations will be necessary and these will be conducted when a definite date for surgery has been booked and the deposit has been paid.

For those with high prescriptions, an unusual eye history or possible age related conditions where an alternative procedure is likely, it may be worth considering attending a paid consultation to avoid the need for a second consultation prior to undergoing their treatment.

FURTHER INVESTIGATIONS

Some of the following investigations are not usually included in the price of your consultation. If an investigation is required that is not included, you will be informed by a member of Centre for Sight clinical staff.

Other Investigations/Tests and Procedures may also be applicable, if you have any questions please ask any member of staff.

OTHER TREATMENT AND CARE

As a referral centre for complex corneal problems and others involving the front of the eye, we do provide a wide range of care. The precise operative details and costs can only be provided following a comprehensive consultation with one of our surgeons.

Insured patients

INSURED PATIENTS

Surgery prices listed in this booklet are package prices for uninsured (self pay) patients. As well as the surgeon's fee, they include the hospital bill, anaesthetist's fee and a set period of post-operative care.

As an insured patient your surgeon, hospital and anaesthetist will bill your health insurance company independently. Therefore please do not quote the prices listed in this booklet when talking to your provider, as any confusion could affect your claim. Instead, please ring Centre for Sight for more information about pricing.

You must contact your insurance provider to obtain authorisation, prior to surgery or any consultations. Centre for Sight are happy to help you make claims, however please ensure you have pre-authorisation otherwise you will be charged. Please be aware that consultation fees vary between consultants and that there may be a difference between the treatment fees charged by Centre for Sight and payment received from the insurance company. You will be responsible to pay the shortfall and this will need to be paid in advance of surgery.

Centre for Sight are happy to help and please do contact us to learn more about insured patient fees, before you contact your insurance company.

VICTUS LASER CATARACT SURGERY AND LASER LENS EXCHANGE

INSURED PRICES

Below are the Victus laser cataract surgery and laser lens exchange prices for insured patients. For other procedure insurance prices please call Centre for Sight on 0800 011 2887.

If insured, special order lens are not usually claimable and best to verify in advance by calling your provider.

Our Victus laser cataract surgery and laser lens exchange prices include:

- High Precision VICTUS Femtosecond Laser
- Intraocular Lens
- Correction of Astigmatism up to 1.75 Dioptres.
- Initial eye drops prescribed by your surgeon.

Patient shortfalls vary from £600 to £2,233 per eye, depending on your policy with your insurance company. We request a premium deposit for all surgery as follows

VICTUS LASER CATARACT SURGERY AND LASER LENS EXCHANGE	
Laser Multifocal Toric Premium Package -corrects astigmatism	£1,600 deposit per eye
Laser Multifocal Premium Package	£1,300 deposit per eye
Laser Monofocal Toric Premium Package -corrects astigmatism	£850 deposit per eye
Laser Monofocal Premium Package	£600 deposit per eye

Once you have obtained authorisation from your insurance company, Centre for Sight will then invoice you your shortfall amount. This invoice must be settled prior to surgery.

Methods of Payment

METHODS OF PAYMENT

Payment for consultations and investigations will be required on the day of your appointment.

Payment for surgery will be required prior to the procedure for uninsured (self-pay) patients. Insured patients must provide a pre-authorisation letter prior to surgery.

Acceptable methods of payment include the following:

- Cash
- Credit Card - Visa or Mastercard
(we do not accept American Express) Switch Direct Debit
- Building Society Cheque
- Banker's Draft
- Bank transfer
(proof of transfer completion will be required prior to surgery)

Notice of at least forty-eight hours is required if you wish to cancel your surgery otherwise a charge of £50 will be raised.

A full refund will be provided in the event of cancellations if the surgeon decides you are not suitable for surgery, or if the procedure is abandoned.

All deposits for surgery are non-refundable, but may be transferable to another date, should your consultant consider it necessary.

Payment

EASY PAYMENT OPTIONS

Take advantage of our interest free payment plans, and choose what suits you best.

Centre for Sight has partnered with V12 Finance, allowing our remarkable care and expertise to be available to everyone.

Our attractive 0% APR (representative) repayment option is available over 24, 18 and 12 months. A deposit payment of 20% is required for laser eye surgery and varying deposits for all other procedure types; the remaining amount is equally divided into 12, 18 or 24 further payments. Our payment plans are available for most of our procedures and once approved can be taken advantage of immediately.

Please make your finance application by calling our centre in East Grinstead. Make sure you have all the relevant details to hand as you will be asked for these during the application process.

ARE YOU SUITABLE FOR FINANCE?

In order to be considered for finance you must be:

Over 18

- A UK resident with a permanent UK address
- A UK resident for at least 3 years with no breaks
- Provide 2 years address history
- Have at least one fixed telephone contact point
- Be in receipt of a regular income

HOW TO APPLY?

Either run through the application with one of our team at the centre whilst attending a clinic or over the telephone. Surgery will not be able to take place until your application is fully approved.

You will be required to answer questions with details of you name

Frequently asked questions

FREQUENTLY ASKED QUESTIONS

WILL I BE SUITABLE FOR HEALTH CARE FINANCE?

In order to be considered for finance you must be:

- Over 18
- A UK resident with a permanent UK address
- A UK resident for at least 3 years with no breaks
- Provide 2 years address history
- Have at least one fixed telephone contact point
- Be in receipt of a regular income

WHAT DO I DO TO APPLY?

You can either run through the application with one of our team at the centre whilst attending a clinic or over the telephone. Surgery will not be able to take place until your application is fully approved.

You will be required to answer questions with details of your name, address, contact telephone numbers and employment, including employers address. Please ensure that you have fully considered the scheme and read all appropriate terms and conditions before signing.

WHAT IF I AM DECLINED?

Unfortunately Centre for Sight cannot guarantee acceptance of your application. Centre for Sight and its employees have no control over the decision making process and are not in any way responsible or able to give any explanation if you are not accepted. In the unlikely event of this occurring under the Data Protection Act, V12 Finance is unable to give you a reason over the phone. However if you would like more information, please write to V12 Finance stating your name and Centre for Sight (as the practice who applied for the account).

HOW IS A DECISION REACHED?

V12 Finance searches the files of one or more credit reference agencies that supply credit and identity information from the Electoral Register. The credit reference agency will record details of the search whether or not the application proceeds. V12 Finance will also disclose details about the conduct of your account to credit reference agencies. This may be used by other lenders to assess credit applications for you and for those with whom you are financially linked.

V12 Finance will use a credit scoring or other automated decision-making system when assessing your application. They may use a credit scoring or similar process in deciding whether to accept your application.

V12 Finance will use a credit scoring or other automated decision-making system when assessing your application. They may use a credit scoring or similar process in deciding whether to accept your application.

WHO IS THE FINANCE COMPANY?

V12 Finance administer the scheme on our behalf, they may be contacted at:

V12 Finance

Tel: 02920 468900

20 Neptune Court
Vanguard Way
Cardiff
CF24 5PJ
