

Dear Patient,

All of us at Kagan Institute want to welcome you to our practice. We know you have many choices in Los Angeles and we are pleased that you have chosen us over other physicians. We are committed to providing you with a pleasant experience, and state of the art care and results. Our office is equipped with the best ophthalmic and diagnostic equipment available in the U.S.A.

We established Kagan Institute on the premise that the best doctor-patient relationship is built on TRUST. Trust is the reason why we pride ourselves with being honest to our patients and trustworthy. We treat and take care of each individual patient as if they were our own family. This way you can be sure that you are getting the best advice and treatment that is in YOUR best interest.
